1165 Anno Domini

Orders Due: Friday, 21 February 1992

Announcements

Very Important Schtuff From the TOP: A message from Dave Saiter, "After a brutal fall fighting the Pentagon budget wars at work and a guerilla insurgency at home, I'm passing the baton to one of the best game masters around - certainly the most reliable. The rules may change a little, but I think that's a small price to pay for a good turnaround. I believe you will enjoy the future of Lords X!"

I'm Taking Over: Hi there. Some of you know me. Some of you don't. My name is **Thad Plate** and I have GMed Lords 9 for three years cranking out 50 turns in that time. There are going to be some changes in the rules to conform to some of my procedures. At my expense and time, I have enclosed with your results the Lords 9 supplement and a Special Lords 10 Supplement which clarify the rules that are in effect here. Because I am changing regional names and maps, I am delivering maps to everyone at \$2.00 per person (I'm waiving delivery cost). I am also assuming all prior credit that you have paid to previous gamemasters. If you have any questions or problems, please feel free to call.

Notes: Please build your Public Works Bonus in whole numbers. Native armies will be less generous than they have in the past. You don't have to send tithe to the Pope, it's already taken care of.

The Italian Submaps: Lords X now has zoom in maps of Italy. The size divisor is 5 not 3 so Italian players can control more regions than under normal rules.

New Countries: I have plopped a whole bunch of new countries on the map. These will be played intelligently until turn 15 or until they are picked up. They will not attack anyone. If you don't like them, kill them.

Names: If you do not like your national name or leader names, you can always name your own. Try to be in character.

The New World: I am going to wait until the Old World settles in until I can consider opening up the New World for players.

Contacting the Czar: write Lords X, c/o Thad Plate
5333 E. Thomas Rd. #215
Phoenix, AZ 85018
phone is (602) 952-8929

Turn Fees: \$3.00 per turn, add \$2.00 for phone orders.

Maps: regular sized (8 x 11), \$2.00. +\$1.00 delivery. For large sized maps (11 x 17) the price is double.

Color Map: Every turn I make a colored map of the world. These are on 8 x 11 sheets. They show exactly who controls what in the world at that turn and the regions are discernable. If you want a copy, the cost is \$3.00 per map.

Rules Used In Lords Ten: I am using the 1986 4th Edition Rulebook and the 1991 Version II Rules Supplement and Addenda v2.0. Rules that are unique to 10 are found in the Campaign Nine Rules Supplement v3.0 and the Lords Ten Supplement v1. In case of conflicting information the the Nine & Ten Rules and the prevail over the others and the Version II prevail over the 4th Edition Rulebook. If you using a NM rulebook, consult the Special Lords Ten Supplement enclosed this turn with your results to see which rules are in effect. I sure hope no one's confused. If you are give me a call.

Ordering the Rulebook: 4th Edition Rulebooks can be had through special order. Send \$10.00 payable to

Thomas Harlan, Emperor of Wanderer Games
4858 East 2nd Street
Tucson, AZ 85711-1207.

Lord 9 & 10 rules supplements are entitled to all new players and to anyone else upon request.

It was a beautiful night in downtown Baghdad when suddenly the sounds of thunder roared through the sky. A myriad of lights and sounds then danced in the night and rained explosives upon the hapless citizens below.

Then it stopped. But laughter could be heard from the Caliph's palace.

"Ha ha ha ha hah. I've done it at last, I have divined the secrets of the entire world. I know their secrets. I know their most intimate details. Now it is the time to be a viper and strike! No one can stop me now! Ha ha ha ha ha hah."

The Caliph had practiced sorcery! It could only mean trouble, but for whom? and what? Perhaps this satanic power will bend back and blast the Caliphate into a parking lot. From every night onward, the people of Baghdad feared the sky.

"STOP!!!

"Honored Guardian, all we do is dance. And I'm getting tired of it. My doggies are aching and my blisters have got blisters."

"Impetuous one, it is tradition we dance. If we don't, the world will fade away."

"Yeah but my health will fade away if we don't take a break, besides I don't give a friggin' eucalyptus about the frilled lizard or the wombat."

"Even they are crucial to the balance of our fantasy. Please do not scorn them."

"Ha! This is all poppycock. I quit!"

>>"ZANG"<<

"It is sad that our youth are wayward. Let's keep at it."

"Right on!"

moowuuuhhaa, moowuuuhhaa...clap, clap, thump, thump...
