**Trade Partners:** Bug, Kongo, Almoravid-

**DIPLOMACY:** Ghana(a), Segu(ea), Hausa(fa), Takrur(c), Senegal(nt)

To reflect the new socio-economic dominance of the Fulani tribes, the Gaota state whipped off its archaic designation in favor of the Aka'murrd. The merchant fleet in Mattetawah attempted some commerce with the Mahidians but came home empty handed. Prince Kazim found his first wife in Hausa.

Special potions were brewed by the alchemist to ensure African Bowl victory.

**Trade Partners:** Gaota, Congo

**DIPLOMACY:** Igbo(fa), Nupe(f), Gurma(nt), Gwari(nt)

The Darklord's Gwari ally was sent off another errand, accompanied by the warriors of Nupe. They attacked the Muslim Bornu from the south and defeated them. Bokt of Gwari at this point discovered how wonderful Bornu is to be in control of. So he converted to Islam and repudiated Kwararafa. His 8000 men killed off the 5500 Nupe as they repudiated Kwararafa too. His home of Gwari degraded to non-paying, confused over the whole of the situation. Mandara revolted and Nupe advanced to friendly. The Darklord is really upset that an ally of long standing has betrayed him so abruptly.

**DIPLOMACY:** Tongaa(c), Brava(nt), Kinsasha(h), Lamu(nt), Mogadishu(fa), Kikuyu(nt)

A port city in Mogadishu facing the Somali Sea, isolated from Sakalava, was dedicated. Because of the featureless terrain, which lacks critical building materials, it hasn't been completed yet. The effort has greatly impressed the wandering inhabitants who marvel at the very concept of a civic area.

Niko Noga attempted another trip through the dangerous forest of the Upper Zambezi. The tribes there were more indifferent than ever and the Kinsasha attempted to kill him because his hair wasn't curly enough. This alien talked funny too. Wounded, Niko dragged himself to Tongaa where at least some kindly villagers treated his injuries. ultimately, Niko returned to Kilwa where Niro Noga ruled in time to attend his father's funeral.

## THE COPTOS KINGDOM OF Y'ISRAEL (8.9C)

Dino dun Boi, *Prehistoric Pooch of Palestine*

**Trade Partners:** Aethiopia, Liguria\*, Byzantion\*, Islam

**DIPLOMACY:** none

After a few years of being a pestering element on the barren frontier, the Bahawi roared out of the Al Nefud in march 1199. 137,500 screaming Arabs twirling their collective sabers, riding on fast camels attacked the fortified position of Petra. Yogi Baer and Dino Boi commanded 13,500 lancers, 12,000 horse archers, 16,500 shieldmen protecting 16,500 archers, 550 catapults and 50 fixed battle towers. This defense came very close to driving the attackers back into the desert. The Benu had wiped out the shield wall and were hacking all the marksmen to bits. One Arab got so far in that he reached Prince Itchy's pavilion and killed the heir (Okay, Okay I lied, Itchy was put in a blender and was pureed to a bloody, drinkable pulp). In the swirl of confusion, Yogi made Dino his heir against the wishes of his own family. The Benu regrouped and attacked again. Without the shield wall the Arabs were free to attack at will at any vulnerable target. The catapults were smashed. The ground troops were chopped up into itty bitty bite size pieces. The heavy cavalry were herded into a slaughterhouse and were butchered. King Yogi, easy to spot because he's eating so much food, was isolated from his picnic basket distribution system. The Benu chief challenged the Baer to a duel and chopped off his prodigal head.

Dino left with only his horse archers called for a retreat. In the course of the battle, he became the king. But Yogi's grandson, twenty two year old Magilla Forsayl would not step down for the Don Boyds. He declared himself True King of Y'Israel in Jerusalem. But only the Lebanon garrison and Palestine would accept his jurisdiction. Jordan, Petra, Sinai, Misr, Crete, Egypt and Faiyum lined up in Dino's favor. Ad Diffah and Barqa revolted, hoping for future mercy from Abd Allah. Dino arrived in Jerusalem to find the hostile Scubids arrayed against him in battle towers. Dino smote his treacherous enemies and executed Magilla, restoring Palestine to his rule. The Lebanon garrison delivered the head of their commander and apologized.

But nothing now could stop the host of Abd Allah from ravaging the countryside. Petra was looted. Sinai was looted. Misr was captured and this too was looted. The cities of Aqaba and Cairo were left alone because of their walls.
